
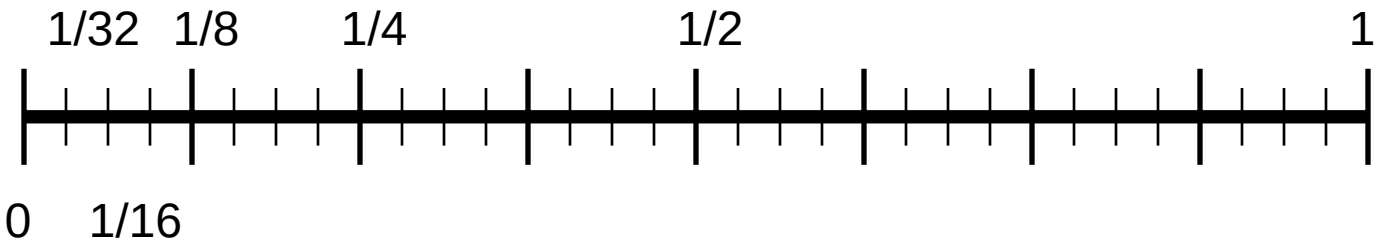
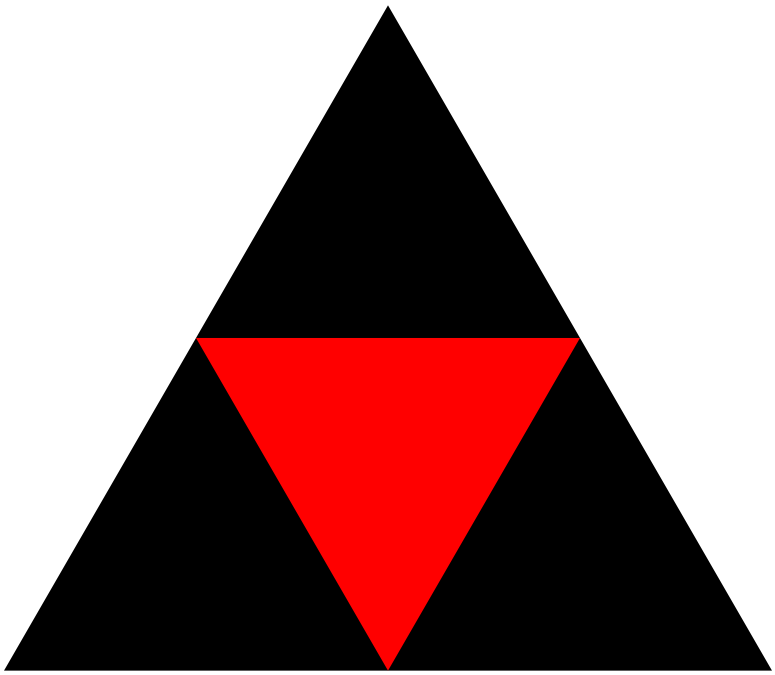
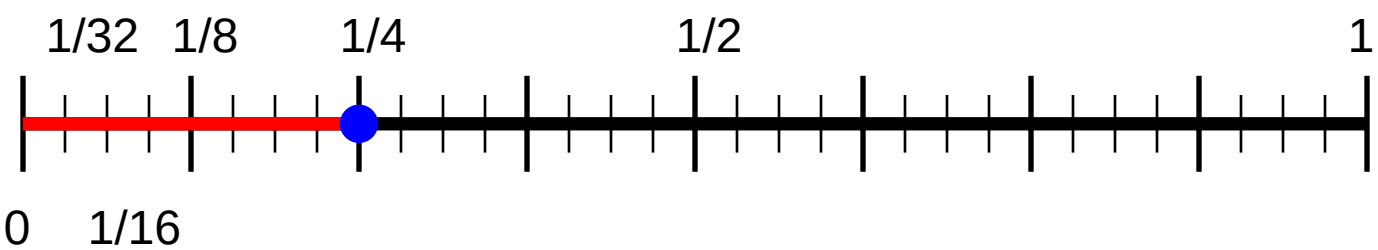
A Sierpinski Gasket of degree 1.



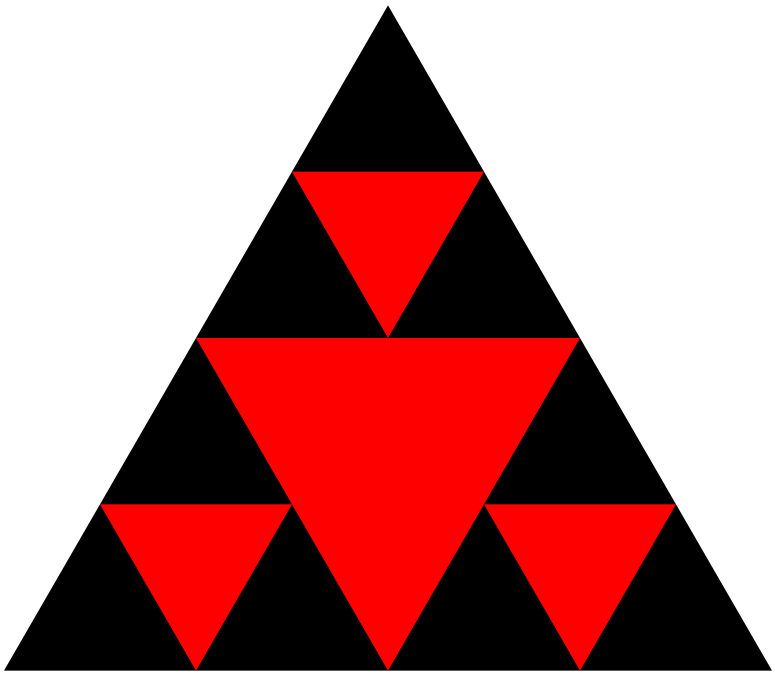


A Sierpinski Gasket of degree 2.

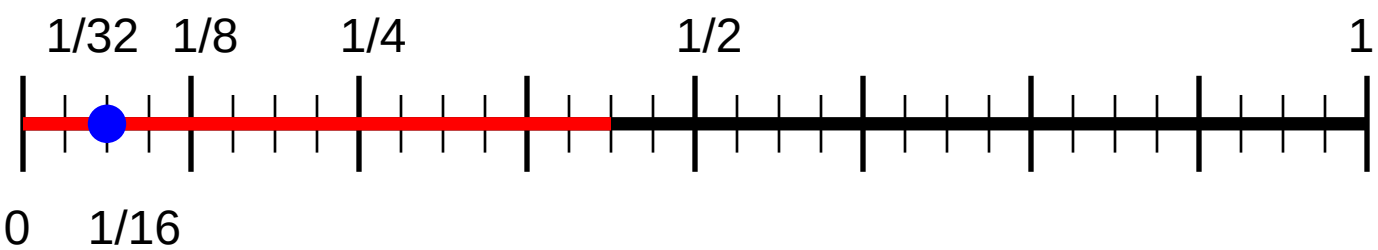


Total Area = Red line

Area of each sub-square = Blue dot

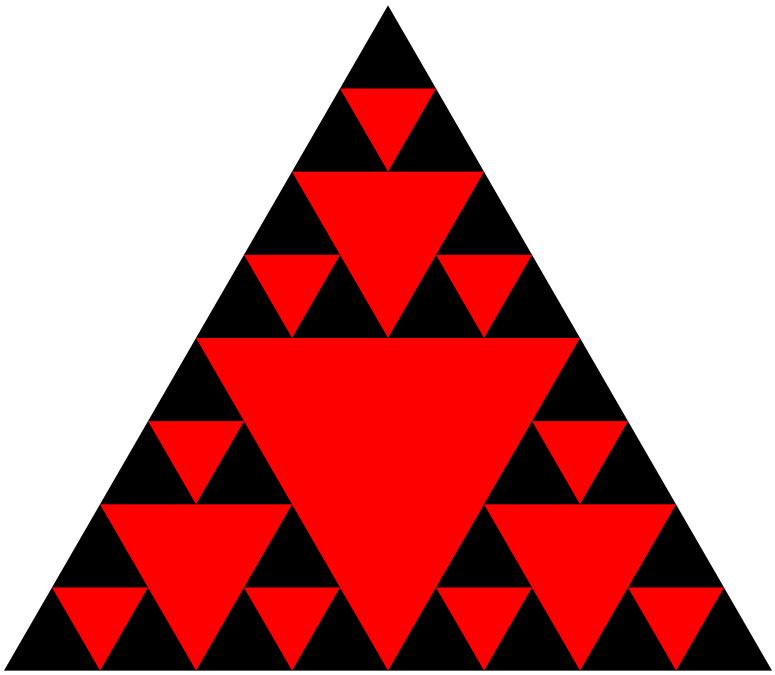


A Sierpinski Gasket of degree 3.

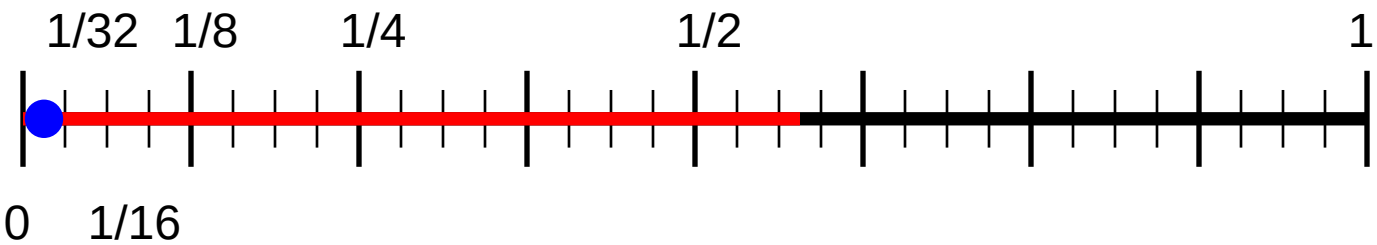


Total Area = Red line

Area of each sub-square = Blue dot

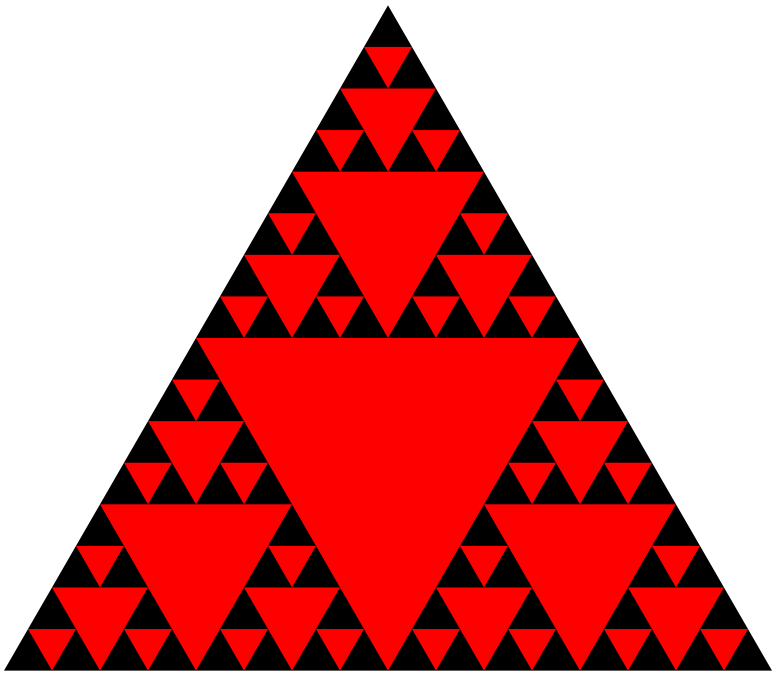


A Sierpinski Gasket of degree 4.

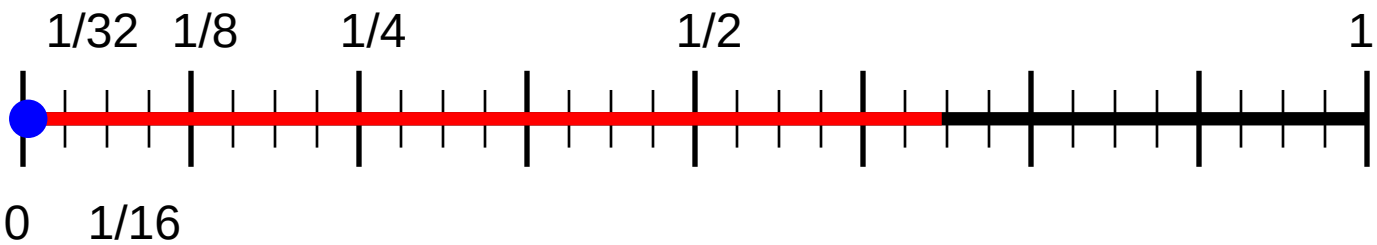


Total Area = Red line

Area of each sub-square = Blue dot

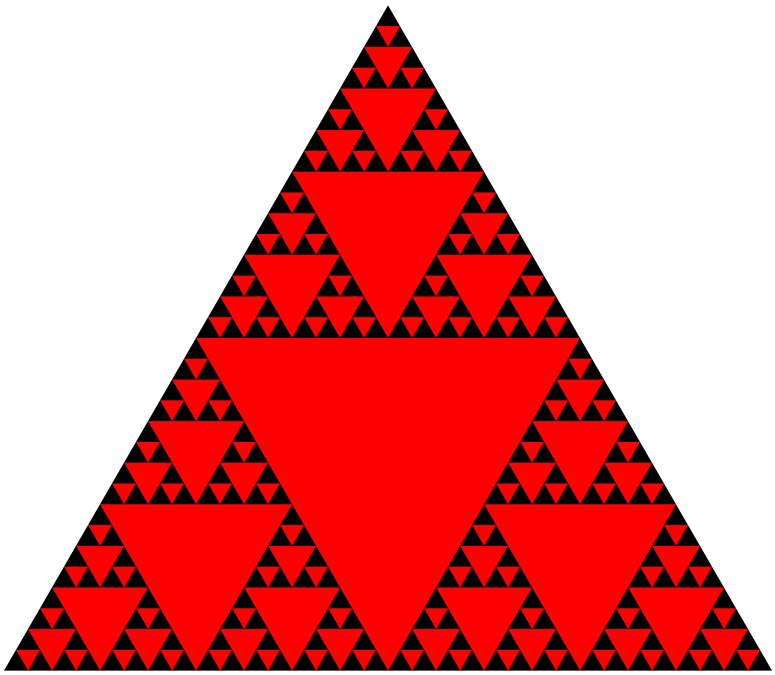


A Sierpinski Gasket of degree 5.

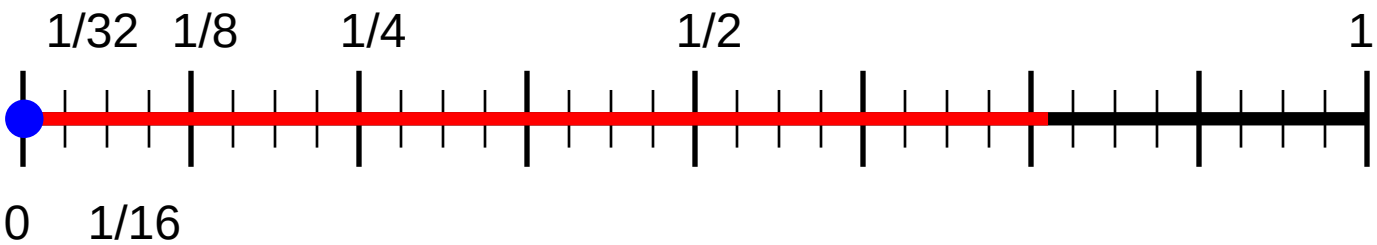


Total Area = Red line

Area of each sub-square = Blue dot

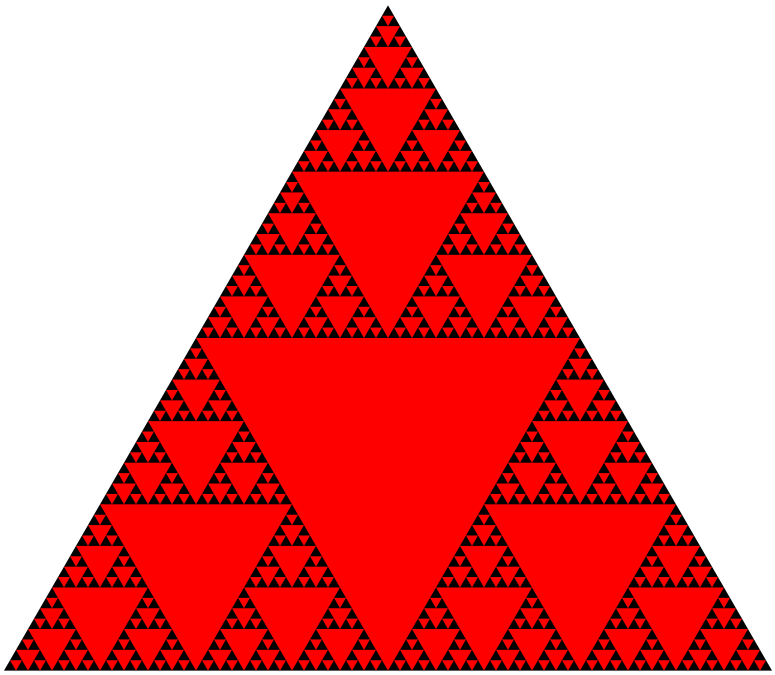


A Sierpinski Gasket of degree 6.

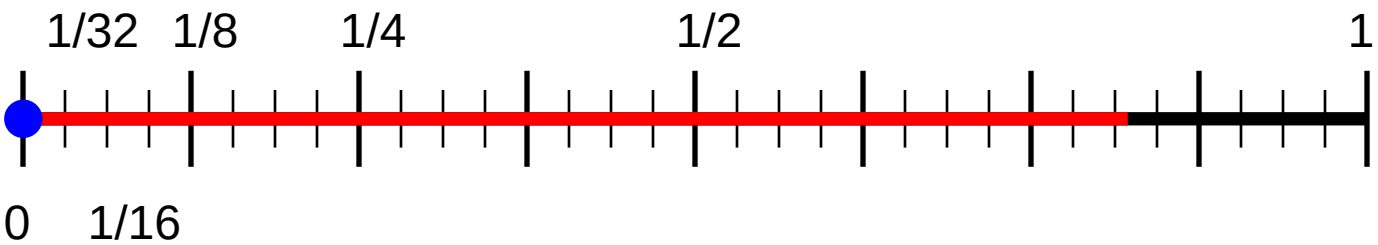


Total Area = Red line

Area of each sub-square = Blue dot

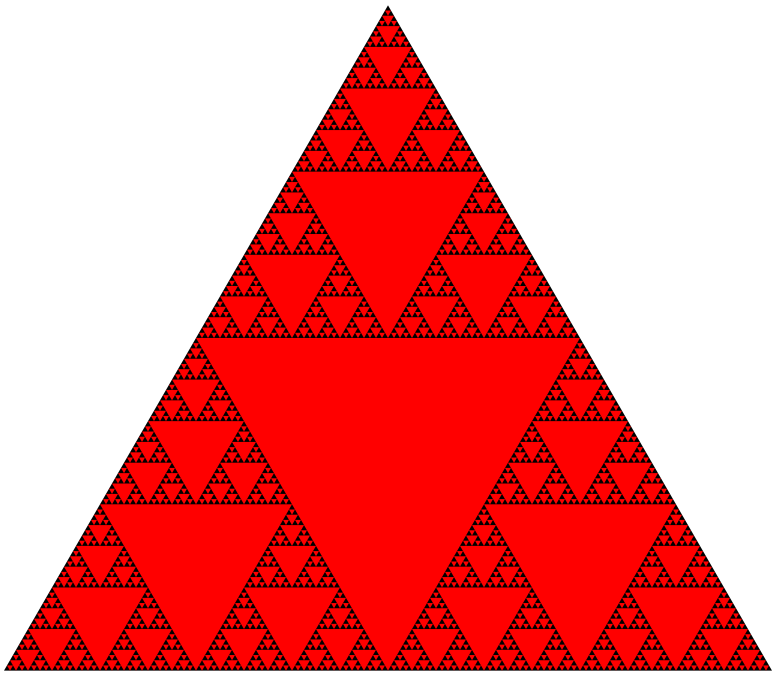


A Sierpinski Gasket of degree 7.

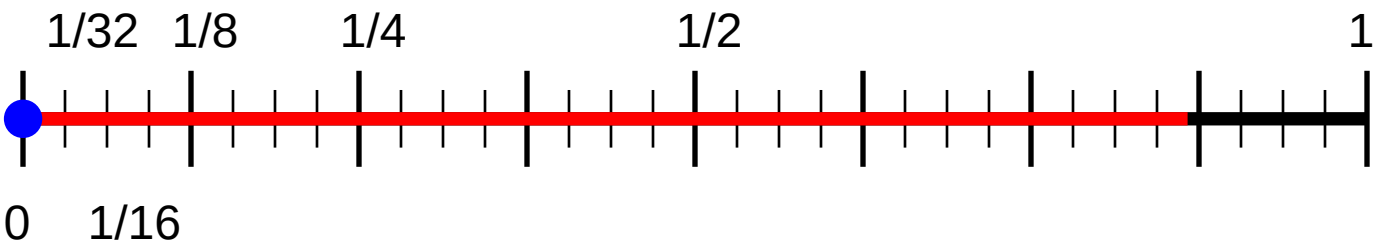


Total Area = Red line

Area of each sub-square = Blue dot

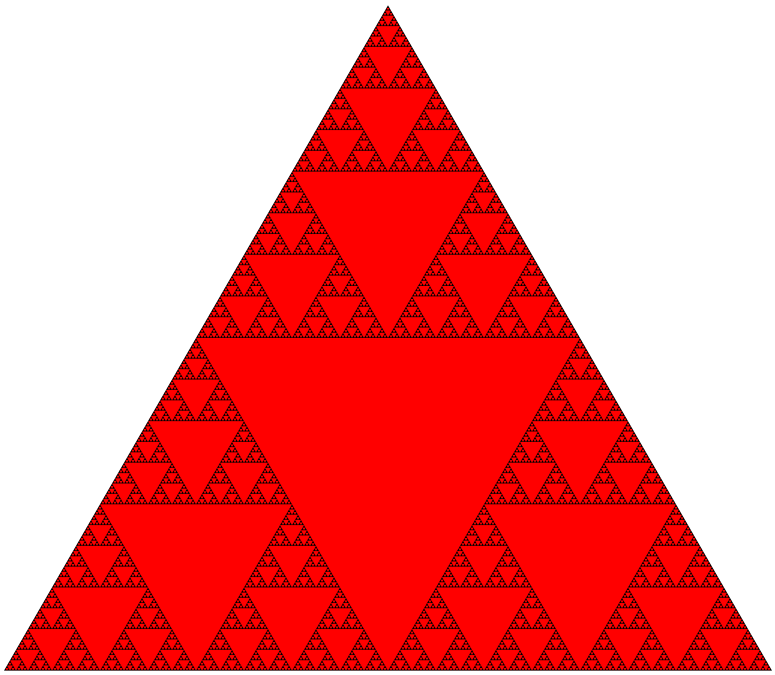


A Sierpinski Gasket of degree 8.

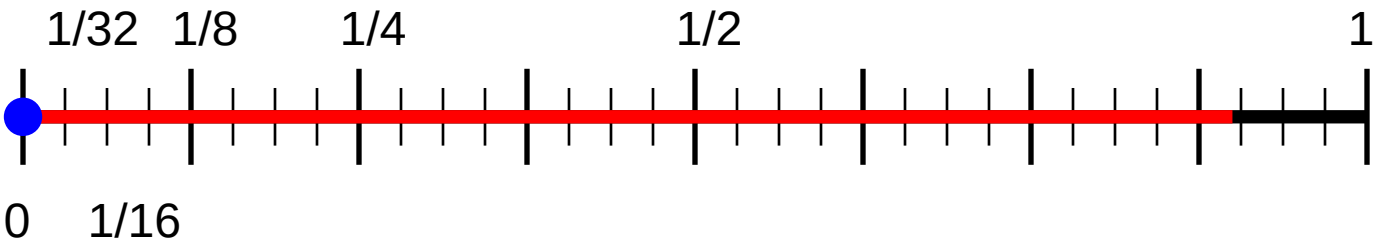


Total Area = Red line

Area of each sub-square = Blue dot

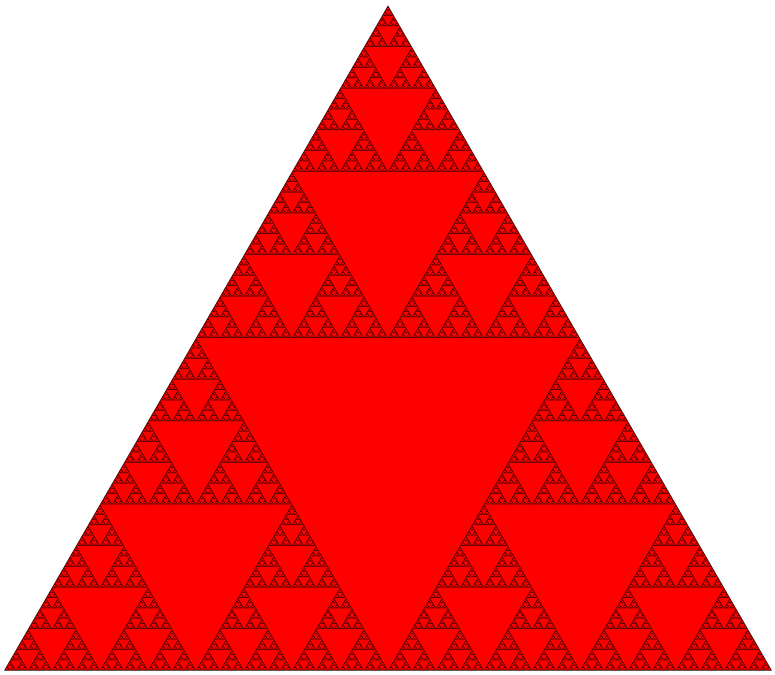


A Sierpinski Gasket of degree 9.

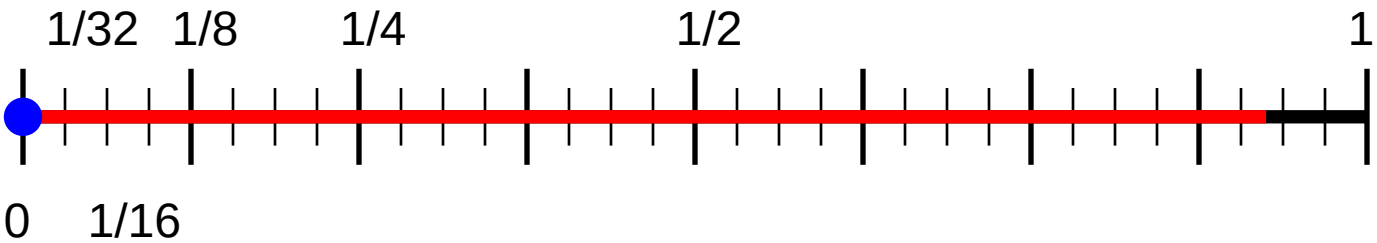


Total Area = Red line

Area of each sub-square = Blue dot

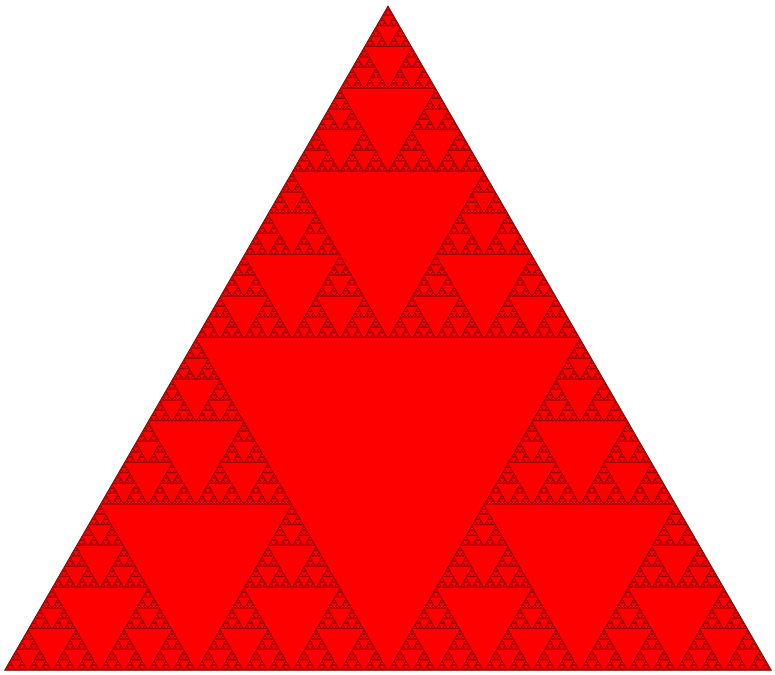


A Sierpinski Gasket of degree 10.

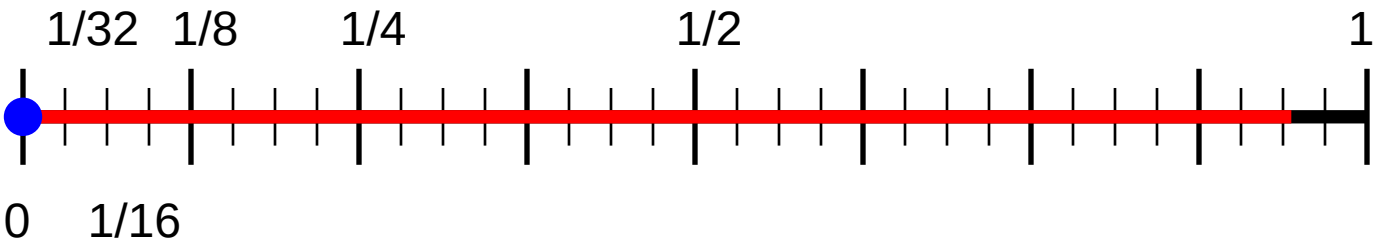


Total Area = Red line

Area of each sub-square = Blue dot



A Sierpinski Gasket of degree 11.



Total Area = Red line

Area of each sub-square = Blue dot
