Study Tips

Do:

- Ask the person next to you to schedule a time to study together two or three times a week.
  Do it right now!

Study Tips

Do:

- Ask the person next to you to schedule a time to study together two or three times a week.
  Do it right now!

- Schedule a fixed time, like directly after this class, to spend an hour at the MLC, working on suggested problems from the problem book

Study Tips

Do:

- Ask the person next to you to schedule a time to study together two or three times a week.
  Do it right now!

- Schedule a fixed time, like directly after this class, to spend an hour at the MLC, working on suggested problems from the problem book

- If you had a really hard time with a problem on WebWork, come back to it a few days later.

Study Tips

Do:

- Ask the person next to you to schedule a time to study together two or three times a week.
  Do it right now!

- Schedule a fixed time, like directly after this class, to spend an hour at the MLC, working on suggested problems from the problem book

- If you had a really hard time with a problem on WebWork, come back to it a few days later.

Don't:

- Try the same webwork problem 20 times
