

MATH256-103 Homework Assignment 9 (Due Date: December 1st, 2014)

This is the last homework. Good luck on your final!

Homework will be collected after the class on December 1st. Late homework is admitted until 6pm on December 1st. Graded homework is placed in a cardboard box outside my office on Dec. 3rd for you to pick up. Afterwards unclaimed homework is moved to a drawer of a file cabinet near my office. Your assignments are organized in the alphabetic order of last names. For other people's convenience, please do not change this order when you pick up your assignment.

Do all the problems listed below.

10.6: 4, 7, 11, 12, *20

10.7: 2, 6, 10, *21

10.8: 1(a), 2, 6(a)(b), *7

*: extra points will be given if it is done correctly.
